Scientific Career

B.Sc. (Special Chem. 1968), Cairo University

M.Sc. (Org. Chem. 1972) Cairo University

Ph.D. (Analytical Chemistry 1977) Cairo University

Employment

Instructor, (1968) Chemistry Department, Faculty of Science, Cairo University,

Assistant Lecturer, (1972)

Lecturer of Analytical Chemistry, (1977)

Assistant Professor, (1982)

Assistant Professor, Faculty of Education, Um El-Kora University, Mecca, Saudi Arabia (1977-1981).

Associate Professor, Girls college, Jeddah, Saudi Arabia (1986-1991)

Professor of Inorganic Chemistry, Faculty of Science, Cairo University, starting on 1987-2006.

Professor of Inorganic Chemistry, Girls college, Jeddah, Saudi Arabia (1999).

Teaching Experience

Teaching at Chemistry Department, Faculty of Science, Cairo University (Starting on 1968 till now), Um El-Kora University, Mecca, Saudi Arabia [credit hour system] (on loan from Cairo Univ.1977-1981. Postgraduate, M.Sc. courses in Analytical and Inorganic Chemistry).

Post graduate courses in Analytical and Inorganic Chemistry Girls college, Jeddah, Saudi Arabia.

Supervisor of Analytical Chemistry Diploma, Faculty of Science, Cairo University (1999-till now).

Scientific Visits and Symposia

A- Scientific Visits

- 1- Syria, (1999), Visit to, Chemistry Department, Faculty of Science, Aleppo University.

B- Scientific Symposia

1. The International Symposium on New Trends in Chemistry, The Role of Analytical Chemistry in National Development, Cairo (1984) [Member of the organizing committee].
2. Second International Symposium on New Trends in Chemistry, the Role of Analytical in National Development, Cairo (1989) [Organizing Committee].
3. Meeting on the role of Analytical Chemistry in detection of pollutants and their solutions, Cairo (1992). [Organizing Committee].
4. Fourth Ibn Sina International Conference on Pure and Applied Heterocyclic Chemistry, Cairo (1992).
5. Third International symposium on New Trends in Chemistry, The Role of Analytical Chemistry in National Development [Vice Chairman of the Symposium and presentation of Key not lecture] Cairo (1994).
6. Fifth Ibn Sina International Conference on Pure and Applied Heterocyclic Chemistry, Cairo (1995).
7. First International Symposium on Electrochemistry and Its Applications, (1996) Luxor, Egypt.
8. Fourth International Symposium on New Trends in Analytical Chemistry, The role of Analytical Chemistry in National Development, (1997) Cairo, Egypt [organizing committee].

9. Second International Symposium on Electrochemistry and Its Applications, (1999) Luxor, Egypt.
10. Fifth International Symposium on New Trends in Chemistry, Analytical Chemistry and the 21st century, Cairo, Egypt (2000).
11. Chem 01 conference, Chemistry Department, Faculty of Science, Cairo University (2000).
12. The third International Conference on Electrochemistry and its Applications, Luxor, Egypt (2001).
13. Chem 02 conference, Chemistry Department, Faculty of Science, Cairo University (2002).
14. Chem 03 conference, Chemistry Department, Faculty of Science, Cairo University (2004).
15. Sixth International Symposium on New Trends in Chemistry, Analytical Chemistry and the future, Cairo, 2003. [Organizing committee].
16. Seventh International Symposium on New Trends in Chemistry, Analytical Chemistry for a better life, Cairo, 2006. [Organizing committee].
17. Chem 04 conference, Chemistry Department, Faculty of Science, Cairo University (2006).

Membership of Scientific and Professional Societies

- 1- Egyptian Chemical society since 1968
- 2- The Egyptian Society of Scientific Professions (1968)
- 3- Egyptian Society of Analytical Chemistry, Member of establishing committee (1994).
- 4- Member of the Editorial Board of Egypt. J. Anal. Chem., issued by Egyptian Society of Analytical Chemistry.

Publications

- 1- Lists of publications (72) and of M. Sc. and Ph. D theses Awarded under my supervision (20).
